Dinner and a Movie: The Dish will be hosting our first ever movie night just in time for Halloween. In celebration of all things creepy we will be showing *The Others*, starring Nicole Kidman. *The Others* is about a woman who lives in a darkened old house with her two photosensitive children and becomes convinced that her family home is haunted. Our movie night will feature a cooking demo by our own pastry chef, Lily Chong. As our feature presentation is set in England we are going to demonstrate a classic British dessert: Old Fashioned English Sticky Toffee Pudding.

The cooking demo will start at 6:30pm and the movie will begin at 7:00pm. We will show the movie in our private room, which is equipped with a multimedia projector and giant screen. Come down and enjoy our fabulous food and drinks specials while getting in the Halloween spirit. Space is limited so book in advance.

Saturday Brunch: The Dish excited to welcome Kevin, our new Red Seal chef! Kevin is working on a tantalizing new brunch menu that will launch Saturday, October 16th and eventually we will be opening for Sunday brunch as well. Come down and try our delicious new brunch menu and feature drinks.

Private Functions: The Dish has taken over the space next door and the renovations are complete. Our cozy, new space is ideal for private functions of up to 30 people, available any day or night of the week. This space is equipped with a multimedia projector and a giant screen, which is perfect for informing and entertaining your guests. We even have a Nintendo Wii for your enjoyment!
